

# BUILDING CONSTRUCTION INTERNSHIP PROGRAM QECVI

Is seeking a building Partner for the Fall 2012 building season.

Whether you are planning to build a single family Ranch, Bungalow, Split level, multifamily Duplex, Townhouse, Garage or Workshop the Building Construction Internship Program (BCIP) is seeking your assistance in creating a culture of student dreams that come true.

With over 20 years of home building and cooperative learning experience the Limestone BCIP and the KHBA have collaboratively built over 75 new homes and launched the construction careers of hundreds of youth in the greater Kingston area.

5432 Any Street Greater Kingston, Ontario

QECVI **BCIP** LDSB  
BUILDING CONSTRUCTION INTERNSHIP PROGRAM

Interested contractors please call Program Leader Mike Sewell 613 544-6920 ex. 277 or OYAP Coordinator, John Chomitz 613 331-0940 for more details.

**What BCIP does:** The Limestone District School Board provides a qualified home building teacher including Energy Star who will lead the students through all facets of the build from foundation to roof peak. All students will be covered under the Limestone WSIB coverage and will receive all of the required sector specific training and on site certifications.

**Benefits to the Builder:** All registered builders will receive a contract endorsed by the LDSB that will detail financial obligations (where applicable) to and from the builder. Promotional open houses and media representation hosted in part by the LDSB. First hand experience in developing the workforce your company and our community will need tomorrow.

*"Building more than just homes for over 20 years in the Greater Kingston area."*
